# Day 1

## Kibale National Park (Chimps)

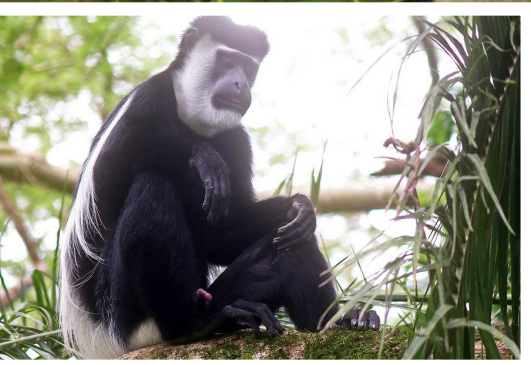

### Day 1: From Entebbe transfer to Kibale NP (Home of Chimpanzees)

After an early morning breakfast at your Hotel in Entebbe, your driver guide meets & greets you. Shortly after briefing, transfer to Kibale Forest National Park. Upon arrival, if time allows you will do Swamp Walk & community walk. The Bigodi Swamp Walk is an initiative of the local people geared towards conservation in this area. On this walk you have a chance to see different bird & butterfly species, primates like black & white colobus monkey, red tailed monkey, blue monkey & grey-cheeked mangabeys among others. There is also a variety of interesting plant species. Then interact with local communities to learn about the traditional way of living which includes a visit to the traditional doctor, testing local brewed coffee & local made beers very interesting. Return to the lodge after this captivating experience. Overnight at Chimpanzee Forest Lodge or similar.

## Day 2

### Kibale National Park (Chimps)

#### Day 2: Uganda Chimpanzee Trekking experience, Kibale NP

The Uganda chimpanzee trekking experience is a unique opportunity that will allow you to follow a chimpanzee group in its daily activities. Accompanying Kibale reserve researchers & rangers, you will be on the forest floor to watch the chimps search for their fruits & vocalizing. Then you will follow them for an hour observing the full gamut of their behavior. You will be part of the Uganda Wildlife Authority initiative to trek the chimpanzees without changing their natural environment. It's one of the great moments of your safari! In the afternoon do the community & swamp walk offered by the member of Bigodi Community. It's one way of learning about the traditional cultural of Africa.
